COMPANY • PRODUCT INFORMATION

We are proud of the last 20 years and where we are at today. We

look forward to the challenges the future will bring with continued growth of our sustainable and successful business.

Sun African products specialises in the production of and manufacturing of a complete range of branded quality cold meat products, such as a diverse range of Polonies, Russians, Vienna's and Braai Wor's that include traditional South African favourites. Sun African products also produce a range of Ice's (frozen juices) in popular flavours such as Guava and Peach "Nothing but a twist of perfection", as well as popular maize snacks in a wide variety of flavours.

Sun African Products prioritizes absolute quality and consistency in our product range. Product safety is critical to our production. Our attention to detail means you always get a twist of perfection.

Within our range of processed meats is a selection of "no pork" products. Discussions for a separate Halaal production factory with an independent on-site cold storage facility, machinery, vehicles and staffing are continuing.

With our headquarters situated in Botshabelo, in the Free State Province of South Africa, the business operates from 9000 square meter premises and has a current staff compliment of approximately 250. The Management of the Company and its employees strive to set new standards and levels of service in the Processed Meat Industry of South Africa.

The Sun African products sales team and support staff takes pride in their understanding of the market and they are available to advise you on issues such as range selection, pricing and promotions. As a customer of Sun African Products you can be assured of our hands-on approach in promoting our product range in-store, actively participating in the growth of your business, as making your business our business is a priority.

To ensure efficient distribution, Sun African products also operates its own fleet of 20 delivery trucks. Distributing to customers in the Free State, Eastern Cape, Northern Cape, North West, Kwazulu-Natal, Gauteng Provinces of South Africa and Lesotho.

Sun African Products have built a very strong relationship with our suppliers, which are a good balance between global and national suppliers.

Sun African Products is actively involved in social projects in local communities working with schools, care for the elderly and police projects.
